LABOR SUPPORTING UPGRADES TO CAMPANIA CLUB

Member for Makin, Tony Zappia MP today announced that a re-elected Albanese Labor Government will support upgrades to the carpark at the Campania Sports and Social Club.

This \$250,000 election commitment will fund upgrades to the community club including re-sealing and repairing the car park, replacing lights and repainting the premises.

The Campania Club has been a central gathering space for the local Italian Australian community for five decades and has a long history of supporting community events.

Only a re-elected Albanese Labor Government can be trusted to deliver the much-needed upgrades for Campania Club.

Consistent with past practice, election commitments will be delivered in line with Commonwealth Grants Rules and Principles.

Quotes attributable to Tony Zappia MP:

“These upgrades will ensure the wider community can continue enjoy events at the Campania club now and into the future.”

“The Campania Club has been an important community hub for local Italian Australians for fifty years, hosting events that celebrate Italian culture and identity.”

“This commitment recognises the service of this local club to serve the wider community and will contribute to the Club’s future successes whilst bringing people of all ages together in a welcoming and inclusive environment.”
